Global Provider Referrals

AXA Assistance USA is part of a global organization with offices in more than 30 countries, where AXA Assistance professionals answer calls 24 hours a day. Immediately after a call comes in, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits.
