

A woman with dark hair tied back, wearing a red shirt, is shown from the side, looking at a tablet. The tablet screen displays a video call with a female doctor wearing a stethoscope and a blue top. The background is a blurred indoor setting with blue and white tones.

**LiveHealth Online:
see a doctor 24/7**

It's easier and faster than going
to urgent care

It's easier and faster than going to urgent care

The next time you or someone in your family needs to see a doctor, use LiveHealth Online. See a doctor with a smartphone or tablet using our free app, or a computer with a webcam.¹

- Immediate, 24/7 access to board-certified doctors.
- Secure and private video chats.
- Prescriptions that can be sent to your pharmacy, if needed.²

LiveHealth Online is part of your health plan benefits and the cost of a LiveHealth Online visit is the same or less than a primary care office visit.

Sign up today so you're just a few clicks away from seeing a doctor.
