The Ameritas Participating Provider Organization(PPO) is a cost-effective network of qualified dentists who provide dental services at a discounted fee.Only dentists who adhere to credentialing and quality assurance requirements are able to join and remain in the Ameritas PPO.

While plan members always have the right to receive care from any dentist they choose, out-of-pocket costs will almost always be lower when choosing an in-network provider. Selecting a network provider may also have a positive impact on your deductible and coinsurance.

**Even with daily updates to the online directory, we can't guarantee that a provider will be contracted at the time dental services are performed.When choosing a provider, please call our Customer Connections department at 800 - 487 - 5553 to verify the provider's participation. We encourage you to confirm participation with your provider at the time of your appointment.**

If you have questions about a claim or your plan benefits, please call the toll-free number on the back of your identification card.

Dentists must have and maintain the appropriate dental license, malpractice coverage, DEA certificate (if required), and specialty license, diploma, certificate or permit, as applicable.

**Building the Network**
Ameritas uses the following criteria to build its network:

- We recruit dentists based on the needs and location of current and potential business
- Internal data is used to target dentists who provide services to our members
- We also identify and solicit dentists currently being used by new or potential groups, based on utilization reports and disruption analyses
