

BUCKEYE LOCAL LPDC MEETING
October 2006

The following items were discussed during the October meeting held at the Jefferson County Educational Service Center.

1. The next date for the Jefferson County LPDC is November 15th, 2006 at 4:30 p.m. at the Jefferson County Educational Service Center. **New LPDC members are asked to be there by 3:30 for an orientation session due to the session being cancelled for September.** LPDC binders will be issued to new members.
2. Teacher and Administration IPDP forms are available on line. A hard copy is available at the Central Office. All LPDC members were given a packet containing all LPDC forms at the August meeting. Please remember to **read the directions carefully** when completing your IPDP, especially when checking the boxes on the form. If you have questions please contact one of your district LPDC members.
3. Professional Development for the LPDC 2006-2007

The LPDC is committed to become more PD focused since the writing of IPDP's has been streamlined. For November, John Rocchi from Harrison Hills lead a presentation on professional development topics for his district. Ideas for implementation in other districts were heard. Your suggestions and support are vital if we are to optimize our Professional Development efforts for the future. Please contact an LPDC member if you have an idea for professional development. Buckeye Local will be presenting in March of 07.

4. Your building principal has been given a copy of approved On-Line Colleges and Universities outside of Ohio. Approved work taken from these colleges and universities is acceptable for certificate/license renewal and for salary schedule advancement (if approved by your district). **Please be reminded that all coursework must appropriately support the implementation of the goals and activities that are on your approved IPDP.** Coursework taken from these colleges and universities may not be accepted by ODE as legitimate work for gaining licensure in an additional field (e.g., administration). **It is advised that you obtain approval from ODE prior to beginning coursework for an additional field.**
5. The LPDC is in the process of reviewing, revising, and updating the by-laws and forms. There will be a meeting on **Monday October 23, 2006 at 3:30 at the JCESC.** Thanks to Jodi Rielly for assisting with this project.
