

BUCKEYE LOCAL LPDC MEETING
October 2007

The following items were discussed during the October meeting held at the Jefferson County Educational Service Center.

1. The next date for the Jefferson County LPDC is November 14th, 2007 at 4:30 p.m. at the Jefferson County Educational Service Center.
2. Teacher and Administration IPDP forms are available on line. A hard copy is available at the Central Office. All LPDC members were given a packet containing all LPDC forms at the August meeting. Please remember to **read the directions carefully** when completing your IPDP, especially when checking the boxes on the form. If you have questions please contact one of your district LPDC members.
3. Professional Development for the LPDC 2007-2008

The LPDC is committed to become more PD focused since the writing of IPDP's has been streamlined. For October, Jeff Oblak, Sam Mauk, and Fred Abdalla Jr. led the presentation focusing on the services offered by the Jefferson County Juvenile Court System. Topics discussed were the Alternative School Services, the Mediation Program and the Juvenile Probation Program. Your suggestions and support are vital if we are to optimize our Professional Development efforts for the future. Please contact an LPDC member if you have an idea for professional development. Buckeye Local will be presenting in February 08.

4. Your building principal has been given a copy of approved On-Line Colleges and Universities outside of Ohio. Approved work taken from these colleges and universities is acceptable for certificate/license renewal and for salary schedule advancement (if approved by your district). **Please be reminded that all coursework must appropriately support the implementation of the goals and activities that are on your approved IPDP.** Coursework taken from these colleges and universities may not be accepted by ODE as legitimate work for gaining licensure in an additional field (e.g., administration). **It is advised that you obtain approval from ODE prior to beginning coursework for an additional field.**
