

BUCKEYE LOCAL LPDC MEETING
September 2007

The following items were discussed during the September meeting held at the Jefferson County Educational Service Center.

1. The next date for the Jefferson County LPDC is October 17th, 2007 at 4:30 p.m. at the Jefferson County Educational Service Center. LPDC binders were issued to new members.

Teacher and Administration IPDP packets will be distributed at district superintendents' offices within the next few days. Forms are also available on line. Please remember to **read the directions carefully** when completing your IPDP, especially when checking the boxes on the form. If you have questions please contact one of your district LPDC members. Educators who have multiple license types will have increased flexibility regarding the alignment of license validity periods. One may now choose to maintain credentials on separate licenses or together on one. Each one has advantages as well as disadvantages regarding cost and flexibility. If you have questions, please see your building representative.

Now is the time to begin organizing paperwork if your license expires in 08. Do not submit anything until January of 08.

2. Professional Development for the LPDC 2007-2008

The LPDC is committed to become more PD focused since the writing of IPDP's has been streamlined. We will have a Professional Development topic on each agenda beginning in September. Lynn Marsh (Indian Creek Jr. High) led the presentation for the September meeting featuring Math Assessment Practices. Your suggestions and support are vital if we are to optimize our Professional Development efforts for the future. Please contact an LPDC member if you have an idea for professional development. Buckeye Local will be presenting in February of 08.
