

BUCKEYE LOCAL LPDC MEETING  
March 2009

The following items were discussed during the February meeting held at the Jefferson County Educational Service Center.

1. The next date for the Jefferson County LPDC is April 15th 2009 at 4:30 p.m. at the Jefferson County Educational Service Center. Please remember that your IPDP must be submitted with your application packet to Carol Webb at Central Office at least **one week before the meeting date**.
2. If your certificate or license expires June 2009, you should have begun the renewal process. Remember that everything is to be submitted at one time to Central Office, the LPDC packet, and official transcripts/CEU's (remember to fill out the back of the page), license fee, checklist, and IPDP. Please see an LPDP member if you need help.
3. Professional Development for the LPDC 2008-2009  
The LPDC is committed to become more PD focused since the writing of IPDP's has been streamlined. For March, Angela Hicks introduced teachers Rita Ruszkowski, Cheryl DeYarmon, Brenda Barbarossa, and Theresa Trekal from Northwest Elementary (Buckeye Local) to give the PD presentation on the use of classroom learning centers. Thank you for a great presentation. Harrison Hills will present for April. Your suggestions and support are vital if we are to optimize our Professional Development efforts for the future. Please contact an LPDC member if you have an idea for professional development.
4. Summary of Master Teacher Ad Hoc Committee Meeting  
The Committee has met a total of five times and are currently nearing completion of their work. By the April LPDC meeting the following items will be ready for distribution to all teachers through LPDC members:
  - Working Guidelines
  - Style Guide and Submission Requirements
  - Intent to Submit MT Application,
  - Confirmation of Eligibility, Application Packets

Anyone who is interested in becoming a master teacher, please contact an LPDC representative.

5. On-line University Coursework  
We have added more approved universities to our ever-growing list. Morehead State University (Ky), National University (Cal.), and Seton Hill University (Pa.) have been added to the approved list of on-line universities. Please keep in mind the potential limitations of these on-line experiences. Ask before you spend time and money on these types of classes
