"We were going to do a House Bill 264 project, then Energy Optimizers, USA told us about the OCEPC program. We decided to go with the OCEPC program, **saving \$28,000!** It's great knowing your energy savings provider is also ensuring that they can get you the best product for the best price."

-Bill Blakely, Treasurer, Edgerton Local Schools

Completed Projects

"Energy Optimizers, USA is completing a HB264 project which will save us \$82,000 annually in energy costs. Highly recommend!"

- Chuck Sincere, Superintendent, Springfield Local Schools

"The energy efficiency project has a guaranteed savings of \$16,000 annually."

- Dr. Benjamin Moore, Superintendent, Portage Lakes Career Center

"We've done 2 projects with Energy Optimizers, USA, and both exceeded the promised results of \$29,000 in annual savings."

-Eric Bassett, Director of Operations, Hicksville School District

"Kettering City Schools has worked with Energy Optimizers, USA on three major energy efficiency projects, and project savings have exceeded the guarantee. The district is saving \$311,000 annually!"

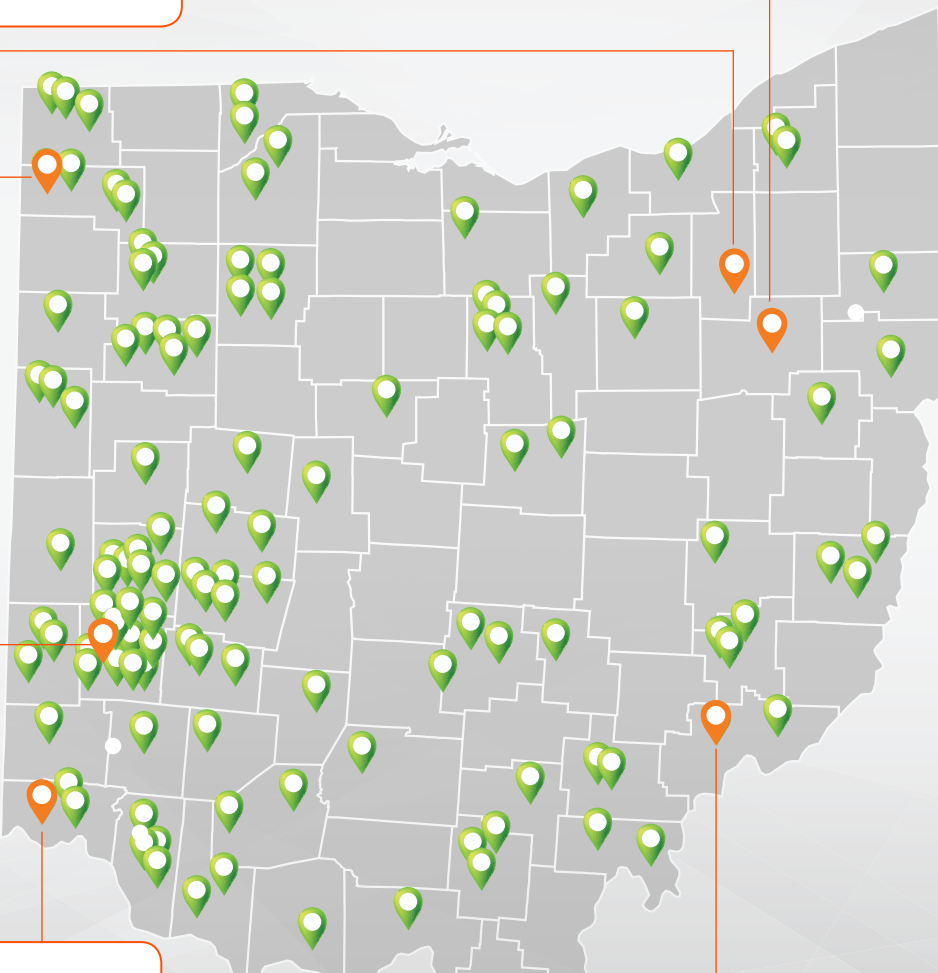

- Ken Lackey, Director, Business Services, Kettering City Schools

"They stand behind their work, never issued a change order, and continue to be engaged long after the projects were completed."

- John Beckemeyer, Director of Operations, Oak Hills Local Schools

"The quality of the LED lighting project has been fantastic. I highly recommend this company."

- Dennis Blatt, Superintendent, Washington County Career Center
