

*"Saving you money while
saving our environment"*

LED Lighting and Energy Savings Program

ADVANTAGES FOR SCHOOL DISTRICTS:

- ✓ Discounted prices for LED material & energy savings services
- ✓ Simple Procurement - no advertising or bidding required
- ✓ Faster development, design and implementation
- ✓ No need for State of Ohio programs (HB264, HB153, etc.)

Services competitively
bid by the Ohio
Council of Educational
Purchasing Consortia

*Energy Optimizers, USA is the
ONLY Ohio-based vendor
selected for this program.*

ENERGY SAVINGS MEASURES INCLUDE:

- 🌐 LED Lighting
- 🌐 HVAC system upgrades
- 🌐 Building automation and control retrofits
- 🌐 Renewable energy systems (solar/wind)

WHY ENERGY OPTIMIZERS, USA?

- 🌐 **Vendor neutral.** We use products that make the most sense for you, not what we manufacture.
- 🌐 **Experience.** We have implemented more than \$70 million of energy savings projects since 2009.
- 🌐 **Honesty/integrity.** We've never had a change order.

Completed Projects

"Energy Optimizers, USA is completing a HB264 project that includes LED lighting, which will save us \$82,000 annually in energy costs. I highly recommend Energy Optimizers, USA!"

- Chuck Sincere, Superintendent, Springfield Local Schools

"The energy efficiency project has a guaranteed savings of \$16,000 annually and reduced maintenance costs. We are very pleased."

- Dr. Benjamin Moore, Superintendent, Portage Lakes Career Center

"We've done 2 projects with Energy Optimizers, USA, and both have exceeded the promised results of \$29,000 in annual savings - without any disruption to the educational environment."

-Eric Bassett, Director of Operations, Hicksville Village School

"Kettering City Schools has worked with Energy Optimizers, USA on three major energy efficiency projects since 2013. The projects have exceeded the guaranteed savings. The district began saving over \$193,000 in utility costs per year, and grew to \$311,000 saved with an additional project."

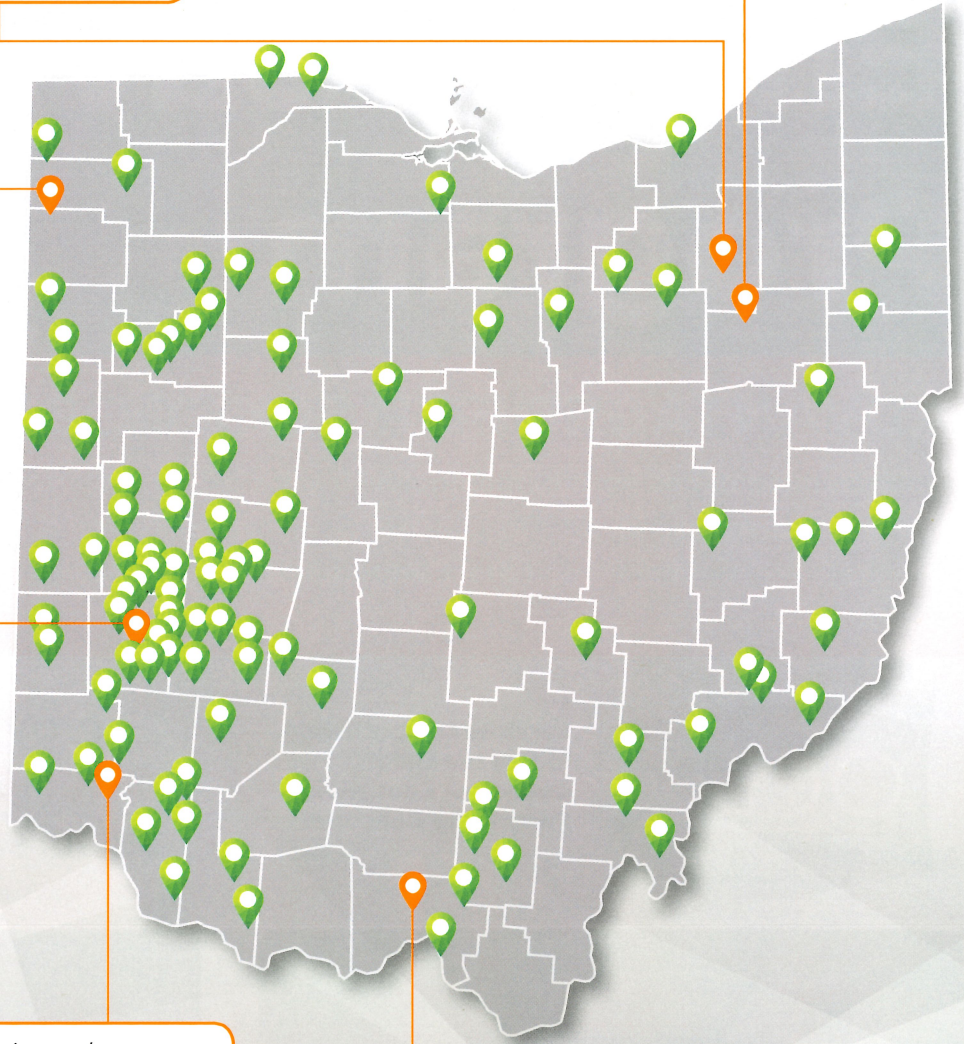

- Ken Lackey, Director, Business Services, Kettering City Schools

"They stand behind their work, never issued a change order, and continue to be engaged with our district long after the projects were completed."

- John Beckemeyer, Director of Operations, Oak Hills Local Schools

"I highly recommend Energy Optimizers, USA as a provider of LED lighting retrofits."

- Ty Roberts, Treasurer, Bloom-Vernon Local Schools
